NOTE:

1. Beijing University of Posts and Telecommunications is a full-time accredited university approved by the Ministry of Education of the People's Republic of China. It employs the four-year educational system where the minimum length of schooling is 3 years and the maximum length is 6 years.
2. The academic program is finished by required credits. Each credit is counted by 16 hours.
3. The transcript employs the following marking systems:
  - (1) The percentage-based grading system rates 100 as the maximum obtainable grade and 60 as the lowest passing grade. This system is employed by the majority of the courses.
  - (2) The five-level grading system A, B, C, D, and E, with "A" for "Excellent", "B" for "Good", "C" for "Average", "D" for "Pass" and "E" for "Fail". The corresponding scores are 90-100, 80-89, 70-79, 60-69 and below 60.
  - (3) The two-level grading system marked by "pass" and "fail".
4. Exemption of courses is conferred to students who have got advanced credits to certain courses through specific exams.
5. The grading standard for innovative practices and extra-curricular activities: 10 as the maximum, with the ranking of 10
